THE DEWAN OF MYSORE,

Bangalore

Sir,

I am desired to submit to you a copy of the resolution passed by the Bangalore Committee of the Mysore State Football Association, at their meeting held on the 1st August, regarding the grant of a suitable Site at Bangalore at a convenient place free of cost

"The Bangalore Committee is of opinion that there is an "immediate and urgent need for the Bangalore Committee "of the Mysore State Football Association to have their "own ground and office Building The Committee there- "fore pray that the Government of His Highness the "Maharaja of Mysore be pleased to grant them suitable "ground in a centre locality in consultation with the "Bangalore City Municipality and the Bangalore District "Board, free of cost, to have a Football Ground and "Building for the Committee of the Mysore State Football "Association "

"A copy of this resolution be forwarded to the Dewan, "Presidents of the Bangalore City Municipality and the "Bangalore District Board "

As you are aware, Bangalore is a leading centre of football in India and it is one of the few places in this country where the game is having its uninterrupted course of activities even in War time

The Mysore State Football Association should have had its own playground and stadium, at Bangalore, to ensure its natural

P T O

Examined by

development and secure adequate control of the game The want of a playground of its own at Bangalore is keenly felt by the Association, as it has hampered the progress of its activities and the promotion of the best interests of the game in Bangalore

At present the Association is forced to the necessity of hiring a playground either in the City or in the C & M Station at a heavy price and await the pleasure of the owners to obtain it on the terms and at the time when they deign to give it Such a state of things is not only derogatory to the prestige and self-respect of one of the premier Football Associations of India, but detracts from the success of its work

In Mysore City the Association has had no trouble of the kind due mainly to the generous support of the Government and the Palace The Association is grateful for the excellent site given to it by the City Improvement Trust Board in the Doddakere Tank Bed

It is hoped that the gift of a similar site in Bangalore will go a long way to enhance the prestige and utility of the Association and promote its benefits to the public in a growing City like Bangalore

On behalf of the Association, I am to appeal to you as

SIR

With reference to your letter No L 4140/M1 88-43-20 dated 14-10-1943 and subsequent reminder thereto, regarding the grant of a site to the Mysore Foot Ball Association at Bangalore, I have the honour to state that no land spacious enough for the formation of a Foot Ball Ground and to accomodate the construction of the Association Buildings, as prayed for by them, is available

The ground between the National High School and Mahila Seva Samaja has been divided and given to different schools and Associations for use as play ground The bit of land in Chamarajpet measuring 270' x 110' has been sanctioned by the Municipal Council to the Students Union The Dharmambudhi Tank Bed area is intended for growing herbs etc , for the use of the Combined Ayurvedic and Unani Hospital The Sampige Tank Bed is the only suitable place and the same is in charge of the Horticultural Department

Subject - Sampige Tank Bed

With reference to your letter No L 11376 dated 15th May 1944 forwarding copy of letter No A6-Dr 50/43-44 dated 13th April 1944 from the Municipal Commissioner Bangalore City Municipality -- together with the copy of the petition dated 20th September 1943 from the Honorary General Secretary, Mysore Football Association, Mysore regarding the grant of a suitable site in the Sampige - tank bed, Bangalore for the use of the Association as football ground and for constructing an Office building and requesting me to state whether the land in question could be granted to the said Association I have the honour to state that the charge of the - Sampige tank bed originally vested with the Revenue Department and in 1935 as per G O No L 5325/M1 140-33-2 dated 5th February 1935, certain improvements were carried out at an estimated cost of Rs 4900/- by the Bangalore City Municipality for drawing off the water in the tank bed with a view to allot playgrounds in the tank bed for the - various Educational and Sports institutions in Bangalore In the meanwhile the control of the tank bed was transferred from the - Revenue Department to the Public Works Department as per Government Order No L 917-23/M1 160-36-3 dated 26th July 1937 and as per G O No D 3076-82/GG 65-37-2 dated 20/22nd October 1937 from the Public Works Department to the Government Gardens Department with which the charge continues

Since 1935 the Sampige tank bed has been allotted to a - number of Educational and Sports institutions in Bangalore for use as playground on their obtaining an annual license

This department had allotted playgrounds to the marginally noted six institutions for the year 1943-44 at Rs 15/- each per annum In addition to this - income which amounts to Rs 90/- per annum a sum of about Rs 500/- per annum is being realised by the department on account of cattle grazing The stadium building and the running track here, constructed by the Public Works Department at a cost of Rs 4200/-, are temporarily given to the Engineering College for their use

1	Engineering College
2	United Mission High School
3	Government Central High School
4	Bangalore United Cricket Club
5	Bangalore Blues
6	Sri Krishnarajendra Silver Jubilee Technological Institute
7 & 8	Temporarily given to the - Engineering College

The Honorary General Secretary of the Association has stated in his petition that the playground and site for constructing the Office building for the Association are required on a permanent basis

The tank bed forms an important open place between the City and the Cantonment area The grounds are used for public functions such as the War Fund Fete held in 1940 A number of Government Educational Institutions and private Sports clubs are making use of the area for sports The whole tank bed is Government land and it is very desirable to keep it as such If a portion of the land is given to a private body on a permanent basis, this may set up a precedent for other - private institutions to claim the same privilege I therefore suggest that the Mysore Football Association will also be allowed the use of a portion of the tank bed as playground on their obtaining the - prescribed license ~~fee~~ at Rs 15/- p a like the other Government and private bodies A plan of the Sampige tank bed showing therein the present allotment of playgrounds to different institutions including the stadium and the running track is enclosed herein for kind reference ~~and~~ may be kindly returned after done with The petition dated 20th - September 1943 from the Honorary General Secretary is returned herewith as desired
